A group of approximately 15 people of various ages and ethnicities are gathered in a circle. They are all smiling and looking towards the center, where their hands are stacked on top of each other in a gesture of unity and teamwork. The setting appears to be an indoor office or meeting space with warm lighting. The text "Treating users as business partners" is overlaid in white at the bottom of the image.

Treating users as business partners

"Better to have a thousand people loving
you than a million people liking you."

Paul Graham, YC

Framtiden?

“Pessimists are usually right and optimists are usually wrong but all the great changes have been accomplished by optimists.”
